## Yogas and Doshas in Native's Kundali

The Yoga/Doshas in Stalin's Kundali are: Ruchaka Panchamahapurusha Yoga

### RUCHAKA

**Yoga :** *Ruchaka Panchamahapurusha Yoga*

**Rule :** *In Lagna chart, Mars is in Own sign [Scorpio] and in Kendra [house number:10] Hence Ruchaka Panchamahapurusha yoga is formed.*

**Note :** *The Ruchaka Yoga is strengthened by association with Benefics and weakened by association with malefics. Also the results are subject to strength of ascendant or moon with which the mars is in kendra. Benefic planets aspecting Mars: [] and conjunct benefics: []. Malefic planets aspecting Mars: ['Ketu'] and conjunct malefics: []. Consider all these points carefully before concluding the results of this panchamahapurusha yoga.*

**Results :** *The benefits of Ruchaka Yoga here are maximum. One because, planet Mars does not form a Mangal Dosha here, second because, in the 10th house, it gains the natural strength of the tenth house. Thus, it also forms a Maha Raj Yoga in the Kundli of the native.*

*It helps natives enjoy career growth at an active rate. He/she shall be great as a leader and enjoy successful times and steady growth in her professional life. Moreover, Mars positioning here can create high possibilities for government jobs and politics. Natives would enjoy all sorts of comforts and seek many opportunities in the professional sector of life.*

*The physical endurance of the native will be noteworthy and stamina unmatched. So, such people wont be afraid of bearing any sort of physical pain and love using their strengths more than anybody. Along with all this, the placement of Mars in the tenth house shall also make the native achieve utter fame and wealth.*

*On negative side, Mars here may make the natives lack patience. He/she shall have to put the effort in excess to make things work. And the hasty decision-making skills will highlight with Mars placement in the 10th house. All this might make natives confront problems in the professional environment and lose important and worth taking opportunities too often.*

*However, on the other hand, natives will definitely be intelligent, and wisdom would be something he/she shall use at its best. Along with it, the energy of Mars will be maximum here. Thus, the person would be courageous and daring to do anything in life. Moreover, with their efforts and energy, natives would achieve greatness and success in life, for sure.*
