Yogas and Doshas in Native's Kundali

The Yoga/Doshas in Manoj's Kundali are: <Harsha Vipareeta RajaYoga>, <Takshaka Kaala Sarpa Dosha>

HARSHA

Yoga : *Harsha Vipareeta Raja Yoga*

Rule : *Lord of eighth house Mercury is placed in sixth house. Hence 1 count of Harsha yoga is formed in Natives Lagna chart*

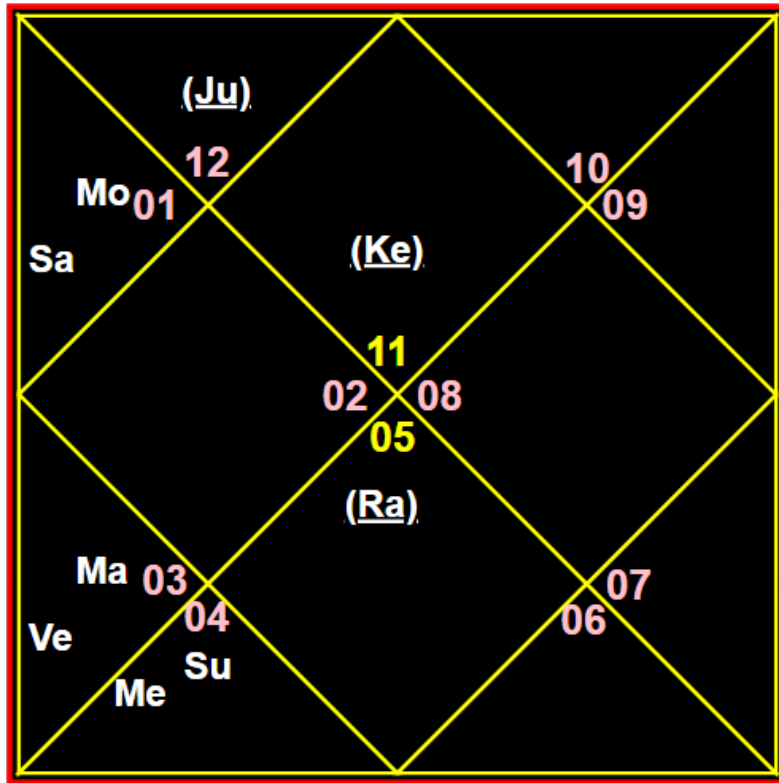

Note : *The Harsha Yoga is impacted by association with Benefics and malefics. Also the results are subject to strength of ascendant and combustion with Sun*
Benefic planets aspecting Mercury: [] and conjunct benefics: ['Sun'].
Malefic planets aspecting Mercury: ['Jupiter'] and conjunct malefics: [].
Consider all these points carefully before concluding the results of this Vipareeta rajayoga.

Results : *Harsha Yoga is a Vipreeta Raja Yoga. As its name suggests, it is made up of two words - <Vipreeta> which means reverse and <Raja> which means a ruler. This presents a condition in the kundali of a person where the negatives add up to a positive outcome that can be life-altering. Fortunes are reversed wherein you receive benefits after a spate of bad luck.*

Vipreeta Raj Yoga is a contradictory yoga where you get the positive results from the paapi grahas. These grahas are notorious for causing malice and ill-will with their effects. But they face an advantageous position when they are in each other's houses and this results in positive outcomes.

According to Phaladeepika, Harsha yoga native will be blessed with happiness, good fortune, and have a strong constitution. He will conquer his enemies and will not do sinful deeds. He will become a friend of illustrious, wealthy, splendorous, famous, and will have many friends.

Harsha Vipreet Raj Yoga blesses the native with health and wealth. He or she is considered a leader who wins over enemies, earning much fame and glory

TAKSHAKAKAALSARPA

Dosha : *Ascending Takshaka Kaala Sarp Dosha*

Rule : *All the remaining 7 planets are in the same side of Rahu-Ketu Axis forming Kaala Sarp Dosha. Since Rahu is in 7th house and Ketu is in 1st house this is Takshaka Kaala Sarp Dosha. All the planets are right side of Rahu-Ketu Axis heading towards Rahu So its Ascending Takshaka Kaala Sarp Dosha.*

Note : *The effect of Takshaka Kaala Sarp Dosha will decrease after the age of 60 if other strong Yogas are present in Native's Kundali.*

Results : *Kaal Sarp Dosha is a frightful astrological event that affects a person severely with multifaceted catastrophes. It is a result of bad karma done by the native in the previous lives.*

As Kaalsarp dosh veils the planets, the aspects other planets represent may get hampered, which may lead to problems in the life of the native. So the results from aspects of other planets will be blocked by Rahu-Ketu axis and the native will not be able to get full results of other planets in his kundali.

The Takshaka kaala sarp dosha impacts mainly the marriage. he or she may have to face a delay in marriage. The marriage delay may become the reason for tension and stress for your parents too. If married, there may be disturbances due to the nature of the in-laws. There may also arise situations when you might think of divorce.

Also, the ones dealing with Kaalsarp dosh must not consider love marriage during the dosh period. Doing so will hamper the love you share after marriage, and you will have to put extra effort to make things work.

You find romance difficult and also have trouble receiving their share of ancestral property. They may have good achievements but would show the tendency to renounce everything.

Remedies : *One of the most effective remedies to reduce the effects of the Kala Sarp Dosha is visiting shrines of higher spiritual beings. The popular places to visit include Srikalahasti temple, Trimbakeshwar temple, Rameswaram, and Thirunageswaram. The Kalasarp Dosha Nivaran Puja at Sri Kalahasti mandir, Rameswaram, and Thirunageswaram, is considered the best remedy for Kala Sarp Dosha. This Dosha can also be remedied by Kal Rudra Yagna performed in these temples.*

Rudra Avisek of Shiva, in any Shiva Temple, and chanting of powerful mantras like the Mrityunjay Mantra, Vishnu Panchakshari Mantra, and Sarp Mantra are the other popular remedies for this Dosha.

Specifically, Takshaka Kaal Sarp dosha can be solved or atleast impact be reduced by reciting Sunderkand of Ramcharitmanas on Tuesday or Saturday 108 times. Read Ganapati Atharvashirsha on every full moon.
