Results : *Harsha Yoga is a Vipreeta Raja Yoga. As its name suggests, it is made up of two words - <Vipreeta> which means reverse and <Raja> which means a ruler. This presents a condition in the kundali of a person where the negatives add up to a positive outcome that can be life-altering. Fortunes are reversed wherein you receive benefits after a spate of bad luck.*

Vipreeta Raj Yoga is a contradictory yoga where you get the positive results from the paapi grahas. These grahas are notorious for causing malice and ill-will with their effects. But they face an advantageous position when they are in each other's houses and this results in positive outcomes.

According to Phaladeepika, Harsha yoga native will be blessed with happiness, good fortune, and have a strong constitution. He will conquer his enemies and will not do sinful deeds. He will become a friend of illustrious, wealthy, splendorous, famous, and will have many friends.

Harsha Vipreet Raj Yoga blesses the native with health and wealth. He or she is considered a leader who wins over enemies, earning much fame and glory

MAHAPADMAKAALSARPA

Dosha : *Descending Mahapadma Kaala Sarpa Dosha*

Rule : *All the remaining 7 planets are in the same side of Rahu-Ketu Axis forming Kaala Sarpa Dosha. Since Rahu is in 6th house and Ketu is in 12th house this is Mahapadma Kaala Sarpa Dosha. All the planets are left side of Rahu-Ketu Axis heading towards Ketu So its Descending Mahapadma Kaala Sarpa Dosha.*

Note : *The effect of Mahapadma Kaala Sarpa Dosha will decrease after the age of 54 if other strong Yogas are present in Native's Kundali.*

Results : *Kaal Sarp Dosha is a frightful astrological event that affects a person severely with multifaceted catastrophes. It is a result of bad karma done by the native in the previous lives.*

As Kaalsarp dosh veils the planets, the aspects other planets represent may get hampered, which may lead to problems in the life of the native. So the results from aspects of other planets will be blocked by Rahu-Ketu axis and the native will not be able to get full results of other planets in his kundali.

The Mahapadma kaala sarpa dosha is special as its more of a partial-yoga than a Dosha. The native finds himself the luck to win over all his enemies with ease. There is an enhancement in wisdom and a thrust of will to do something worthwhile and big in life.

However, as the dosh period continues, the native tends to lose peace of mind and may make thoughtless choices. In the dosh period, the person earns profit from business from abroad.

Remedies : *One of the most effective remedies to reduce the effects of the Kala Sarpa Dosha is visiting shrines of higher spiritual beings. The popular places to visit include Srikalahasti temple, Trimbakeshwar temple, Rameswaram, and Thirunageswaram. The Kalasarpa Dosha Nivaran Puja at Sri Kalahasti mandir, Rameswaram, and Thirunageswaram, is considered the best remedy for Kala Sarpa Dosha. This Dosha can also be remedied by Kal Rudra Yagna performed in these temples.*

Rudra Avisek of Shiva, in any Shiva Temple, and chanting of powerful mantras like the Mrityunjay Mantra, Vishnu Panchakshari Mantra, and Sarp Mantra are the other popular remedies for this Dosha.

Specifically, Mahapadma Kaal Sarpa dosha can be solved or atleast impact be reduced by visiting the Hanuman idol in the morning on Tuesday. Recite Hanuman Chalisa once in a day for 40 days.
